

Anti-Slide Mats CERTEX

Product information

Typical applications: CERTEX ANTI-SLIDE mats for use with tie-downs.
Anti-slide mats increase the coefficient of friction in the computation of the necessary lashing forces.
In according to VDI and other guidelines thereby the number of necessary lashing can be reduced hereby clearly.

Part code	Length mm	Thickness mm	Width mm	μ-Coefficient of friction* μ	Delivery time
7098	5,000	8	250	0,6	3
7098	2,400	10	180	0,6	30
7098	241	5	120	0,6	30
